

THE KNOLLWOOD BOYS

**You are invited
to a
Very Special
Concert:**

THE KNOLLWOOD BOYS, an outstanding band from Indianapolis, IN captured our hearts. They perform with "an eclectic style" that lacks classification, "but **THE KNOLLWOOD BOYS** call it "Rock Folk Funk" -- full of good vibes, laid-back, and danceable. Their live performances are filled with high energy and powerful lyrics.

In early 2011, **THE KNOLLWOOD BOYS** recorded the album "See Us Now," with Nick Winn of Winn Studios at the helm. The album can be found on iTunes and CDbaby.com. The group spent much of fall 2012 in the studio, again with Winn, and released a self-titled album in April 2013.
